John Bly : Miller's Pocket Fact File: Silver Sheffield Plate Marks: Including a Guide to Makers and Styles before purchasing it in order to gauge whether or not it would be worth my time, and all praised Miller's Pocket Fact

File: Silver Sheffield Plate Marks: Including a Guide to Makers and Styles:

0 of 0 people found the following review helpful. Great little book!By Kathy ComerI received this book in a timely manner and is in great condition. Everything that was disclosed about the book is correct. I love the detail on the marks and that is it small enough for me to put it in my purse as an easy reference when shopping.0 of 0 people found the following review helpful. Two StarsBy CustomerNot up to date enough. Not ALL silver is 50 years old!!0 of 0 people found the following review helpful. Five StarsBy MCQGreat book.

This compact, pocket-sized guide from Miller's shows how to decipher the hallmarking system of silver and Sheffield plate, and to read the history behind the marks. An introduction explains the history and meaning of marks, followed by a look at all the marks of the major London and provincial assay guilds. The pages are positively packed with lists of key manufacturers, designers, patterns, and more, and supported by detailed glossaries and line drawings of the various styles.
